My dear Mr Sewell.

Enclose a small check
to help toward the Peace medals.
Regret that it could not have
been larger. but an expensive
summer of travel has rather
lowered my bank account at
the present time. Trusting that
you may be successful in
securing the medals

Dear Miss Eable

Will you be good enough to fill in the address on this envelope and mail it. Also on the enclosed post-card, send me the address of Colonel Falls. The telephone directory does not give him. And the Social Register gives his address as London. I have a note from him which says he is returning later this month.

Thanking you in advance, I am,

Dear Colonel Falls:

In view of your generous contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our collection of Indian Peace Medals is now a truly remarkable gathering, the like of which exists nowhere else in the world. The Society is, therefore, very appreciative of your loyal and generous assistance which has contributed so largely to the fortunate result, as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President

My dear Mr Roe

Your letter announcing my
appointment as a member
of the Council of the
Agricultural Society, has just
been forwarded to me. Deeply
appreciate the honor that has
been done me and it will
give me the greatest pleasure

to accept. The three months
of severe illness of my wife, and
her passing away recently, has
been a severe strain upon me,
and I am on my way South
for a complete rest and
change. Will probably not
be back in New York before
the very last of April, so
will be unable to attend the
meeting on the 10th. Will
you explain my absence

and also express to Mr
Conrad my sincere thanks
and appreciation for this
disinterested honor.

Very truly yours

Dear General Falls:

We are in receipt of a letter from Mr. Guille from which I quote the following paragraph; "How am I to find out what State - as distinct from Federal - medals have been issued? As they are permitted to be worn at State functions in uniform and as most of your States are as populous as some European countries I consider the ribbons worthy of a place in my collection. I have some 26 of these divided among 9 States, but there are 48 States, so many are missing."

Mr. Wood tells me that you are in possession of this information or possibly that you can give me information as to where it may be obtained. If this could be done without undue inconvenience, I should greatly appreciate it.

Very truly yours,

My dear Mr. Roe

Return letter as you requested.
Am glad my efforts met with Mr. Gull's
approval. You spoke of asking him to return
the sketches for our records. If he does
not do so, will be glad to make out a
set of duplicates. Am very glad to have the
Russian ribbons. Have not the wide
St George in my collection. Am unable to
give any information whatever in regard to
the Order of Olga. Have been in
search of it myself for some time,
also the present decorations in
Russia. Order of Lenin.

Order of the Red Star. Order of
the Red Flag, sometimes called Order of
the Red Banner. Have numerous
newspaper notices of them being awarded
but no information in regard to what
they look like or ribbons. Have Spinks.
Baldwin and Chobillon on the look out
for any that may come into the market.

Yours truly

L. P. Falls
